| Bartender | 35-3011 |

The Office of Employment and Training is granted authority by the WDB to fund training for occupations not included on the Demand Occupations List if the customer requesting training demonstrates this occupation is now in demand. Proving an occupation is in demand is accomplished by providing current job openings in the field and/or letter of commitment to hire. Job openings are expected to be of full-time nature.

The Demand Occupation List is seen as a fluid list and is reviewed as needed by the Workforce Development Board.
